

Access4ALL

Transforming Education Through Digital Inclusion

Erasmus+ Project KA220-SCH

Project ID: 2024-1-FR01-KA220-SCH-000257061

This groundbreaking European initiative focuses on creating inclusive digital learning environments that break down barriers and ensure educational access for all students, regardless of their individual needs or circumstances.

International Meeting

Reunion Island

October 25 - October 31, 2025

Erasmus+

Official Invitation

We are **honored to invite** our distinguished colleagues from Italy to participate in this transformative educational initiative.

Collaborative Learning

Join educators and students from across Europe in sharing innovative approaches to digital inclusion in education.

Cultural Exchange

Experience the unique setting of Reunion Island while building lasting international partnerships in education.

Participants from ITALY

Michele OLIVA

Role: Teacher
